

PEST CONTROL

1. Statement of Policy

The School Board is committed to providing all persons in its school community with a safe

3. Exclusions from Coverage

This Policy does not apply to the following minor uses of pesticides:

- a. Germicides, disinfectants, bactericides, sanitizing agents, water purifiers and swimming pool chemicals used in normal cleaning activities;
- b. Personal insect repellents when self-applied;
- c. Human or animal ectoparasite control products administered by qualified health professionals or veterinarians;
- d. Manufactured enclosed paste or gel bait insecticides where students do not have access to the bait; or
- e. Non-chemical pesticides.

Advance notice to parents as described above will not be provided for any minor use of pesticides in Section 3.

4.
